

STRIKE IN PETERSBURG

Three Lines Run and People Patronize Them.

IT IS A PEACEFUL FIGHT

The Road Has Never Paid a Dividend. The People Look for an Early Settlement—Government Dredging the Appomattox.

(Special to The Times-Dispatch.)

PETERSBURG, VA., June 20.—Strikers are quiet. Cars on three lines are running and people are patronizing the cars more liberally since they realize that they can do so without being interfered with by the men and their sympathizers. This is about the situation of the street car strike in Petersburg at this time. The men are behaving in a peaceable manner and are being commended for the manner in which they are conducting their fight. It is a peaceful fight with no evidence that it will be anything else throughout.

The Virginia Passenger and Power Company are operating in this city under the franchise of Beale, the Petersburg Street Railway Company, the Virginia Traction Company and the Southside Railway and Development Company, and there is nothing in any of these franchises to obligate the company or deprive it of any of its rights, even if there were no cars running during the strike period. As for the earnings of the Petersburg road it has never paid actual running expenses during December, January and February in any year. A stockholder to-day who owns several thousand dollars' worth of stock, said that he would like to dispose of it at less than it cost him. He has held it for some time and never received a dividend. The road has never yet paid a dividend.

There seems to be no doubt in the minds of the people in Petersburg that the matter will soon be settled here to the satisfaction of all parties interested.

DREDGING APPOMATTOX.

Captain W. H. French, of Berkeley, Va., brought a fleet of vessels and dredges to Petersburg this week and is dredging the Appomattox River just below the harbor for the United States government. The work is being done to clear a channel twelve feet deep in the river.

Reports from Dinwiddie county to-day go to the effect that a hail-storm in that county last night did considerable damage. The storm extended over considerable area, and growing crops in its path suffered greatly.

Mr. Joseph Lambert Jr., of Warfield, Brunswick county, had his right hand cut off yesterday by its being caught in the saw while he was greasing some of the machinery. The arm was so badly torn that it had to be taken off just below the shoulder.

Miss Bertha A. Grace has been graduated with honors from the Visitation Convent of Frederick, Md. At the banquet of the alumnae she responded to the toast, "The Graduates of 1903." Miss Grace is the daughter of Mrs. Thomas Grace and niece of Dr. J. M. Burke, in this city.

"Capital and Labor" will furnish the principal subject of Rev. George Bokker's discourse at High Street Church to-morrow afternoon.

Rev. W. C. Taylor, D. D., of Indianapolis, Ind., will preach at the First Baptist Church in this city to-morrow morning at 10 o'clock. Dr. Taylor is a native Virginian.

BOY RUN OVER.

Linnet Fantes, a small boy, was run over by a bicyclist on Sycamore Street to-day and narrowly escaped being seriously injured.

Mr. Hattie V. Harris, of Petersburg, and Mr. James Arthur Warren, of Richmond, were married at the residence of Rev. Dr. Starr, in this city, Thursday evening at 6 o'clock.

Captain Robert C. Osborne, a prominent politician of this city, is ill at his home on Sycamore Street.

One of the most popular events of the summer season in Petersburg is the annual excursion to Buckroe Beach run by High Street Church. The excursion this year will be run July 16th. Two trains were necessary last year to carry the crowd.

HOW TO FIND OUT.

Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. If it stains the linen it is evidence of kidney trouble; too frequent desire to pass it, or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder, and every part of the urinary passage. It corrects inability to hold water and sending pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go so often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing be sure to mention that you read this generous offer in The Richmond Times-Dispatch. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Fulton News.

It now looks that electric power in Fulton to operate lights, fans, etc., will be a reality instead of a dream. For years the merchants have been working hard to get the line extended to Fulton, but their efforts have been fruitless. The Fulton Electric Power Company, whose plant will be located just below the city, has applied for sufficient power to operate 400 horsepower motor to run their plant. If the agreement is made to furnish the plant the wires will have to be strung through Fulton to reach the plant.

The Fulton merchants will then be able to secure power for lights or fans, etc., at a cost of about 10 cents per horsepower. The expense would be too heavy to extend the wires to this section.

Business in Fulton has not been affected by the street car strike yet. If anything, business has improved, for the people have remained in that section, and the merchants have been kept busy. The working people are walking, and several of them expressed their willingness to walk during the strike.

The annual excursion of Fulton Baptist Sunday school to-morrow to Buckroe Beach. Fortunately for the school, arrangements have been made for the train to leave from Orms Street Station instead of the Main Street Station. The train leaves at 8:15 A. M.

Among the graduates of the school, the female school, this session was Miss Gertrude Neagle, daughter of Mr. and Mrs. James Neagle, of Nicholson Street.

Mrs. E. D. Farmer, who has been visiting her niece, Mrs. Ruth Elsom, in Madison, Wis., has returned to the city, and is now the guest of her nephew, W. H. Taylor, where she will spend the summer.

Mr. and Mrs. R. Neilsen and niece, Miss Marie Koch, have arrived at their destination in Denmark safe. They sailed the latter part of May on a three-months' visit to their old home.

Heavy Hail-Storm.

(Special to The Times-Dispatch.)

SKIPWICH, VA., June 20.—The severest hail-storm that has visited this section in a very long time passed near here yesterday. Its track was not very wide. Crops were completely destroyed, the ground being swept clean of vegetation. Birds and fowls were killed, and the trees were denuded of their foliage.

Some of the stones were as large as a guinea egg, and the hail fell to a depth of six inches. About two weeks ago the same section was visited by a hail-storm, which did much damage.

Throughout the county the spring crop of oats is a complete failure. The winter oats have had a moderate crop, while the wheat crop is but very common. The tobacco and corn crops are two weeks late.

Coming Marriage.

Mr. and Mrs. John W. Davis have issued invitations to the marriage of their daughter, Miss Clara, to Mr. Edward Ernest Wingfield, of Norfolk, Va., Thursday, June 25th, 1903, 3:30 P. M., at the home, No. 250 East Marshall Street.

Charters Granted.

The Corporation Commission yesterday granted the following charters: V. P. Clark Company; Lynchburg; Bristol Publishing Company; Bristol.

The Remington Typewriter Company was licensed to do business in Virginia.

NEW ORGANIC LAW UPHOLD

The Supreme Court Decides Against Taylor.

PILOT LAW IS ANNULLED

Judge Buchanan in Able Opinion Sustains Norfolk City Court, and Declares It is in Conflict With the United States Statutes.

In the Supreme Court at Wytheville on Thursday several important and interesting opinions were handed down. One was that by Judge Harrison in the case of Taylor against the Commonwealth, involving the validity of the new Constitution, and the organic law of the State was clearly and ably upheld.

The case came up from the County Court of Augusta, and was the first in the State to be tried under that provision of the new Constitution which permits the sentencing of a prisoner under certain conditions by the court without the intervention of a jury.

Taylor was indicted for housebreaking with intent to commit larceny. The new Constitution had just become effective. Judge Lyman Chalkley, sitting in the case, availed himself of the provision referred to above, and in order to save the Commonwealth the unnecessary expense of a jury, Taylor was convicted and sentenced by the court to confinement in the reformatory, and it was denied admission there, then to serve his term in the penitentiary.

Taylor appealed on the ground that the new Constitution was invalid. In that, it was improperly proclaimed by the convention, and that, therefore, the court had no right to sentence the prisoner without the intervention of a jury.

STRONG OPINION.

In the latter portion of his opinion Judge Harrison, after reviewing the circumstances under which the Constitution was proclaimed and acknowledged, says: "The Constitution having been thus acknowledged and accepted by the officers administering the government, and by the people of the State, and being a matter of fact in force throughout the State, and there being no government in existence under the Constitution of 1869 opposing or denying its validity, we have no difficulty in holding that the Constitution in question, which went into effect at noon on the 10th day of July, 1902, is the only rightful, valid and existing Constitution of this State, and that to all the citizens of Virginia owe their obedience and loyal allegiance."

The writ of error asked for is therefore denied by the court.

Pilot Case Up.

The next most interesting opinion was that handed down by Judge Buchanan in the case of Darden vs. Thompson. This case came up from the Corporation Court of the city of Norfolk, and involved a construction of the pilot laws of the State. The plaintiff, Darden, had hired a schooner to tow a barge, and the defendant, Thompson, had hired a schooner to tow a barge. The schooner in question was hired by the defendant in August, 1902, of Cape Henry, the schooner being owned by the defendant. The schooner was used by the defendant in towing a barge, and the defendant was charged with the cost of the towage. The plaintiff, Darden, claimed that the schooner was used by the defendant in towing a barge, and the defendant was charged with the cost of the towage. The plaintiff, Darden, claimed that the schooner was used by the defendant in towing a barge, and the defendant was charged with the cost of the towage.

LAW INVALID.

In discussing the matter, Judge Buchanan says in a very able opinion: "Whilst a number of grounds for demurrer were assigned only one was considered by the trial court, and only that was sustained, to-wit: that the pilot laws of Virginia, upon which the declaration is based, are inoperative and void, because in conflict with section 427 of the revised statutes of the United States, which provides that 'no regulations or provisions shall be adopted by any State which shall make any discrimination in the rates of pilotage or half pilotage between vessels sailing between the ports of one State and vessels sailing between the ports of different States, or any discrimination against vessels propelled in whole or in part by steam, or against national vessels of the United States, and all existing regulations or provisions making any such discriminations are annulled and abrogated.'"

The opinion of the lower court is sustained, the matter being discussed at great length with characteristic force and clearness by Judge Buchanan.

Other Opinions.

Other opinions handed down on Thursday were Baltimore Dental Association vs. A. M. Fuller, by Judge Keith, from the Corporation Court of the city of Roanoke, reversed.

Radford West End Land Company vs. J. T. Cowan, by Judge Keith, from the Circuit Court of Montgomery, reversed.

Roanoke Commercial and Trust Company vs. Goodman and others, Circuit Court of Roanoke county, by Judge Whitte. Reversed.

ASSESSED DAMAGES

Some Dissatisfaction With Report of Commissioner.

A NEW COW ORDINANCE

Cows No Longer Allowed to Roam the Streets of Blackstone Without an Escort—Bank Statements Show Business is Healthy.

(Special to The Times-Dispatch.)

BLACKSTONE, VA., June 20.—The commissioners appointed by the County Court of Notaway to assess the damages to the different properties along the line of the Blackstone and Southern Railroad, in this county, have completed their work, and sent in their report. There is some dissatisfaction with the amount of damages allowed by the commissioners, but it is not generally known if any appeals will be taken. There appears to have been no disagreement among the five commissioners, who were Messrs. A. C. Beville, G. R. Williamson, G. G. Tucker, W. T. Baines and W. C. Irby. Work is now going ahead in two directions, one towards Chase City and the other towards the Seaboard Air Line.

The cow question, which has been agitating the public mind here for the past several weeks, has finally been disposed of by the Town Council. The new ordinance provides that they may be herded, but shall not go unattended by a herder at any time. This compromise seems to give general satisfaction to both sides to the question.

A few mornings ago Norman Keeton, a young negro man who lives on the farm of Mr. Harry Epps, near town, shot Rebecca Epps, also colored. The ball entered just above the knee and was extracted by the surgeons. Keeton claims the shooting was accidental, while the woman stated it was intentional. No arrest was made.

The Masonic Lodge of this place has secured the services of Polk Miller and his negro quartette to give an entertainment here for the benefit of the lodge on Friday night of next week. The lodge is expected to be well attended.

BUSINESS HEALTHY.

The statements of the four banks of Notaway county, which were published in the local paper this week, show a very healthy condition of business. In some cases they show a larger footing than ever before in their history. The total assets of the four banks, one of which has only been in business a few weeks, amounts to \$232,787.07. It is not believed any county in the State that has no city within its borders can beat the above showing.

Arrangements are being made here for the meeting of the Petersburg District Conference, which will be held here on Sunday, the 22nd of July. About one hundred delegates compose the conference.

Miss Nellie Bennett, of Ashland, is visiting her sister, Mrs. James Cannon, Jr., at the Female Institute, in this city.

Mr. and Mrs. H. H. Seay went to Richmond Wednesday to attend the marriage of Mrs. Seay's brother, Dr. Davis, of North Carolina, to Miss Sprally, of Richmond.

Miss Sue Armstrong left Thursday night for Batesville, Miss. Later she will visit her uncle, George Irby, in Newport, Ark.

Miss Louise Irby left Thursday night for her home in Newport, Ark., to remain until September, when she will return to resume her studies.

Sergeant De Witt Maxey was called to his old home in Buckingham county last week on account of the illness following the death of his mother.

Bernard Dalton, the deaf mute son of Mr. T. D. Dalton, arrived home a few days ago from Staunton, where he has been attending school for several sessions. Mrs. Charles Weisiger, of Richmond, arrived a few days ago to spend the summer with her mother, Mrs. Lucy Hardy.

BRUTON CHURCH WEDDING

Miss Hensley Bride of Baron Paul Louis de Valpincin des Acres de Launay.

(Special to The Times-Dispatch.)

WILLIAMSBURG, VA., June 20.—Bruton Episcopal Church was the scene this afternoon at 2:30 o'clock of a notable marriage, when Miss Florence Grace Hensley became the bride of Baron Paul Louis de Valpincin des Acres de Launay. The ceremony was performed in the presence of a large congregation and was most impressive. The church never looked more beautiful, the chancel being a veritable tower of beauty.

The bride was very handsome in a cream broche silk, with design of ivy leaves, trimmed with lace and applique and veil and wreath, and carried white roses. The ornaments worn by the bride were a gold and turquoise brooch and gold locket, gifts of the bridegroom. The maid of honor, Miss Annie Willie Stubbs, was gowned in blue mousseline de soie, and white picture hat, with for-sec-not bouquet of white carnations.

The pages, Masters C. R. and F. J. Bishop, nephews of the bride, were dressed in blue and white sailor suits. The ushers were Mr. Wright, a student of William and Mary, and Masters Channing and Leslie Hall, Cyrus Hawkins, Drury Jones and Randolph Harrison.

The processional hymn by the choir was "The Voice That Breathed Obedience." During the singing of the hymn, the hymn, "O Perfect Love," was sung. When the bridal party came from the vestry Mendelssohn's wedding march was played by Mrs. W. G. Jones.

The bride party entered in the following order: The bride, from the east door with her brother-in-law, Dr. Charles Edward Bishop, two pages holding her train. Then came the maid of honor, The bridegroom, with his best man, Dr. D. J. King, having entered from the vestry, awaited his bride at the altar.

Under a beautiful wedding bell the ceremony that united them was performed by Rev. W. A. R. Goodwin, Dr. C. E. Bishop gave the bride away.

The bridegroom is a son of the late Jules de Valpincin des Acres de Launay, of Normandy and Paris, and Annie Olerenshaw Shirley de Gray, of Scotland. He is now a citizen of Montreal, Canada. The bride is the daughter of the late Frederick John Hensley, M. D., of Philadelphia, and the late Mary Jane Valpy Filieul, of the State of Jersey. She is a sister of Mrs. Charles Edward Bishop, and during her short stay here has made hosts of friends.

The wedding presents are handsome and numerous from friends and relatives in various parts of the world, some being from Williamsburg. The bride's gift to the bridegroom was a ring. The gift of the bridegroom to the bride was a love letter written at the altar. The maid of honor was a set of silver coffee spoons.

The happy couple left this evening for Montreal, stopping en route at Old Point, Philadelphia and New York.
